

FACTSHEET

TITLE: **USE PERMIT NO. 130A**, requested by Olsson Associates on behalf of Pioneer Woods, LLC, for authority to develop an 85-room, four-story hotel, with requests to adjust the rear yard setbacks and maximum allowed height, on property generally located at South 70th Street and Pioneers Blvd.

STAFF RECOMMENDATION: Conditional Approval

ASSOCIATED REQUEST: Change of Zone No. 05041 (05-88)

SPONSOR: Planning Department

BOARD/COMMITTEE: Planning Commission
Public Hearing: Consent Agenda: 06/08/05
Administrative Action: 06/08/05

RECOMMENDATION: Conditional Approval (7-0: Carlson, Carroll, Krieser, Larson, Pearson, Sunderman and Taylor voting 'yes'; Esseks and Bills-Strand absent).

FINDINGS OF FACT:

1. This proposed amendment to Use Permit No. 130 was heard before the Planning Commission at the same time as the associated Change of Zone No. 05041.
2. The purpose of the proposed amendment to Use Permit No. 130 is to allow an 85-room, four-story hotel in the B-2 zoning area being expanded by Change of Zone No. 05041.
3. The applicant is also requesting an adjustment to the rear yard setback from 50' to 30', and an adjustment of the maximum height from 40' to 45'.
4. The staff recommendation of conditional approval, including approval of the adjustments to the setback and height requirements, is based upon the "Analysis" as set forth on p.4-5, concluding that the O-3 zoning and use permit limited development to office uses. The proposed hotel represents no significant additional impact upon the neighborhood compared to office uses, and is a compatible use on this site. This change of zone request is appropriate provided the associated use permit amendment is also approved.
5. On June 8, 2005, this application appeared on the Consent Agenda of the Planning Commission and was opened for public hearing. No one came forward to speak.
6. On June 8, 2005, the Planning Commission agreed with the staff recommendation and voted 7-0 to recommend conditional approval, as set forth in the staff report dated May 23, 2005. The conditions of approval are found on p.5-7.
7. On June 8, 2005, the Planning Commission also recommended approval of the associated Change of Zone No. 05041.
8. The Site Specific conditions of approval required to be completed prior to scheduling this application on the City Council agenda have been satisfied.

LINCOLN/LANCASTER COUNTY PLANNING STAFF REPORT

for June 8, 2005 PLANNING COMMISSION MEETING

This is a combined staff report for related items. This report contains a single background and analysis section for all items. However, there are separate conditions provided for the use permit application.

PROJECT #: Change of Zone #05041
Use Permit #130A

PROPOSAL: To change the zoning from O-3 Office Park to B-2 Planned Neighborhood Business to allow an 85-room, four-story hotel, with requests to adjust rear yard setbacks and maximum allowed height.

LOCATION: South 70th Street and Pioneers Blvd

LAND AREA: CZ#05041 - 1.73 acres more or less.
UP#130A - 20.4 acres more or less.

CONCLUSION: The O-3 use permit (UP#144) limited development to office uses. The proposed hotel represents no significant additional impact upon the neighborhood compared to office uses, and is a compatible use on this site. The change of zone request is appropriate provided the associated use permit amendment is also approved.

GENERAL INFORMATION:

LEGAL DESCRIPTION: See attached legal descriptions.

EXISTING ZONING: O-3 Office Park

PROPOSED ZONING: B-2 Planned Neighborhood Business

EXISTING LAND USE: The B-2 is mostly developed, the O-3 is undeveloped.

SURROUNDING LAND USE AND ZONING:

North:	Undeveloped, Antelope Creek	O-3, R-3
South:	Commercial, Undeveloped	B-1, B-2, O-3
East:	Undeveloped, Antelope Creek	R-3
West:	Cemetery	B-1, R-1

HISTORY:

August 26, 2002 - Use Permit #144 was approved for 105,000 square feet of office floor area.

April 9, 2001 - Use Permit #130 was approved for 142,000 square feet of commercial/restaurant/retail space on the northeast corner of S. 70th & Pioneers Boulevard.

October 18, 2000 - CZ#3263 (to B-2) and Pioneer Woods Preliminary Plat #00016 were approved.

COMPREHENSIVE PLAN SPECIFICATIONS:

Page F25 - The Land Use Plan designates this site as commercial.

Page F40 - General Principles for All Commercial & Industrial Uses

Commercial and industrial districts in Lancaster County shall be...

- outside of... floodplain areas
- accessible by various modes of transportation

Page F44 - Guiding Principles for Commerce Centers

Commerce Centers shall be designed and constructed to meet the intent of the environmental resources section of this plan. These centers shall in themselves include green space and enhance green space separation, where possible, among communities and mixed use areas.

Strip commercial development is discouraged. Commerce Centers should not develop in a linear strip along a roadway nor be completely auto oriented.

Commercial locations should be easily accessible by all modes of transportation including pedestrian, bicycle, transit and automobiles. Centers should be especially accessible to pedestrians and bicycles with multiple safe and convenient access points.

Commerce Centers should have convenient access to the major roadway system and be supported by roads with adequate capacity.

Physical linkages (i.e., sidewalks, trails, roads) should be utilized to directly connect Commerce Centers with adjacent development, although undesirable traffic impacts on adjacent residential areas should be avoided or minimized.

Page F97, 98- Pedestrians

The sidewalk system should be complete and without gaps. The pedestrian network in shopping centers should be integrated with adjacent activities.

Pedestrians should be able to walk in a direct path to destinations like transit stops, schools, parks, and commercial and mixed-use activity centers.

Activity Corridors and Centers - Directness and safety for pedestrians going to, from, and within these corridors and centers should be stressed.

Page 102 - Bicycles and Trails

Existing Areas - Extend the bicycle and trails system into the new neighborhoods as the city grows. Connections should be made to schools, parks, and other activity areas.

Developing Areas - Encourage minimum bicycle and trails standards for private developments to provide bicycle and trails facilities connecting key destinations such as schools, parks, and activity centers.

Consider the location and alignment of trails in reviewing development applications. Request that the platform for trails be graded in conjunction with the associated development.

UTILITIES: All utilities are available to serve this area.

ANALYSIS:

1. This request is a change of zone from O-3 to B-2, and is associated with UP#130A for an 85-room hotel with requests to adjust the rear yard setback from 50' to 30', and to the maximum allowed height from 40 to 45'.
2. The Comprehensive designates commercial land uses in this area, and the proposed hotel is consistent with that designation.
3. There are two approved use permits in this area. UP#130 allows 142,000 square feet of floor over the B-2 portion of the site, and UP#144 allows 105,000 square feet of office space over the O-3 portion. This request expands the B-2 zoning and UP#130 and decreases the O-3 and UP#144.
4. The O-3 provides a buffer between the B-2 and the open space/residential to the east, and allows only office uses. The B-2 allows more intense uses than O-3, some of which may not be appropriate on this site. If approved, this request should be specifically limited to allow a hotel, and the land use table on Sheet 2 of 4 must be revised to show only 'Hotel or Office' on Lot 7.
5. The change of zone application is only appropriate if the use permit amendment is also approved. A note should be added to the plan stating that the Planning Director will not administratively approve changes to the land use table to allow other commercial uses on the hotel site. The Planning Director reserves the right to both refer all such requests to the Planning Commission for public hearings, and to initiate a change of zone request back to O-3 if construction on the hotel has not started within three years of approval.
6. Shared parking has been proposed for the hotel and adjacent office uses. Such agreements with a reduction for non-concurrent use are allowed by the Zoning Ordinance, but must be authorized by a written agreement between the city and the parties involved.

7. The area of UP#144 covering the O-3 will be reduced if these requests are approved. In that event, an application for an administrative amendment to UP#144 must also be submitted to revise that plan accordingly.
8. The city trail system extends along the east side of Antelope Creek, and UP#144 showed a connection to the sidewalk along Pioneers Blvd which eventually intersects with it. The sidewalk system needs to be shown, and must identify the locations for the connections from the hotel through the parking lots to sidewalks along the adjacent streets.
9. An adjustment to the allowed height from 40' to 45' is being requested, where the height limit in the B-2 is 40', and 45' for offices. This will allow the hotel on this site to be built as high as adjacent office uses and is appropriate.
10. An adjustment to the rear setback from 50' to 30', where it is 40' in the O-3 and 50' in B-2. However, all yard setbacks were adjusted to 0' with UP#144, as all lots are surrounded by a common outlot and back onto the Antelope Creek floodplain. This request is consistent with UP#144 and is appropriate.

CONDITIONS:

UP#130A

Site Specific:

1. After the applicant completes the following instructions and submits the documents and plans to the Planning Department and the plans are found to be acceptable, the application will be scheduled on the City Council's agenda:
 - 1.1 Revise the site plan as follows:
 - 1.1.1 Revise the land use table showing the allowed use on Lot 7 as either Hotel or Office with updated floor area and parking calculations.
 - 1.1.2 Add General Note #47 which states "THE PLANNING DIRECTOR WILL NOT ADMINISTRATIVELY APPROVE CHANGES TO THE LAND USE TABLE TO ALLOW OTHER COMMERCIAL USES ON LOT 7. THE PLANNING DIRECTOR RESERVES THE RIGHT TO BOTH REFER ALL SUCH REQUESTS TO THE PLANNING COMMISSION FOR PUBLIC HEARINGS, AND TO INITIATE A CHANGE OF ZONE REQUEST BACK TO O-3 IF CONSTRUCTION ON THE HOTEL HAS NOT COMMENCED WITHIN THREE YEARS OF APPROVAL."
 - 1.1.3 Show the sidewalk system and identify the locations for the connections from the hotel through the parking lots to sidewalks along the adjacent streets.

- 1.2 Applicant must submit a concurrent parking agreement signed by all affected parties for approval by Public Works.
 - 1.3 Applicant must submit an administrative amendment to revise UP#144.
2. This approval permits an expansion of Use Permit#130 to include Lot 7 for an 85-room, four-story hotel with adjustments to rear yard setback from 50' to 30' and to maximum height from 40' to 45'.

General:

3. Before receiving building permits:
 - 3.1 The permittee shall have submitted a five copies of a revised final plan and the plans are acceptable:
 - 3.2 The construction plans shall comply with the approved plans.
 - 3.3 Final Plats shall be approved by the City.

Standard:

4. The following conditions are applicable to all requests:
 - 4.1 Before occupying the building all development and construction shall have been completed in compliance with the approved plans.
 - 4.2 All privately-owned improvements shall be permanently maintained by the owner or an appropriately established owners association approved by the City Attorney.
 - 4.3 The site plan accompanying this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.
 - 4.4 This resolution's terms, conditions, and requirements bind and obligate the permittee, its successors and assigns.
 - 4.5 The applicant shall sign and return the letter of acceptance to the City Clerk within 30 days following the approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the applicant.

5. The site plan as approved with this resolution voids and supersedes all previously approved site plans, however all resolutions approving previous permits remain in force unless specifically amended by this resolution.

Re: Pioneer Woods
Amendment to Use Permit # 130 and Change Of Zone
OA Project No. 2005-0471

Dear Mr. Krout,

On behalf of Pioneer Woods LLC, Olsson Associates is requesting an "Amendment to the Use Permit" and a "Change of Zone" to add 1.72 acres to Pioneer Woods Use Permit #130 and change the zoning of that property to B-2. The parcel being added is currently located in Pioneer Woods 1st Addition Use Permit #144 and is Zoned O-3. For your reference, the subject lot is labeled Lot 7 on the site plan

We are requesting this Amendment and Change of Zone to locate an 85 room, 4 story, all-suites hotel on this site. The Hotel will replace 24,000 SF of Office Space that was originally approved on Use Permit #144. The PM Peak Hour Trips were compared between the two uses, using ITE Trip Generation numbers. The Hotel will generate slightly less peak PM trips than the office space it is replacing. A trip generation table is included with this submittal.

The Site Plan is showing shared parking between the Hotel and adjacent Office Building. These two buildings will be utilizing non-concurrent parking, since the Hotels main stall use is at night and the Office Buildings main stall use is during the day.

We are formally requesting 2 waivers. We are requesting a waiver to reduce of the required setback for the rear yard of Lot 7, from 50' to 30'. Lot 7 backs to a large heavily wooded drainage way. We are also requesting a waiver to increase the height restriction from 40' to 45'. The existing height restrictions for the surrounding buildings in the O-3 office area are 45' and this building will match that.

Enclosed please find the following:

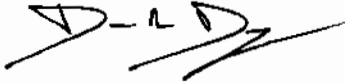

1. Site Plan, Sheet 1; 21 copies
2. Site Plan Notes, Sheet 2; 21 Copies
3. City of Lincoln Zoning Application; "Use Permit; Amendment"
4. Change of Zone Exhibit
